HRIF Program Referral Process:

Communication is between the CCS Program-approved NICU and HRIF Clinic.

1. The discharging/referring NICU/Hospital will refer eligible infants to the HRIF Program **at the time of discharge to home**, and complete the “Referral/Registration (RR) form” via the **web-based HRIF Reporting System**.
2. The discharging/referring NICU/Hospital will submit a [Service Authorization Request \(SAR\)](#) to the local CCS Office for HRIF Services. (Service Code Group [SCG] 06, should be requested).
3. The discharging/referring NICU/Hospital will send a copy of the Discharge Summary to the HRIF Program.

Medical eligibility for the HRIF Program is determined by the County CCS Program or Regional Office staff. The CCS Program is also required to determine residential eligibility. As the HRIF Program is a diagnostic service, there is no financial eligibility determination performed at the time of referral to CCS.

However, insurance information shall be obtained by CCS. An infant or child is eligible for the HRIF Program from birth up to 3 years of age.
