

2022 Data Training Sessions Agenda

Every Wednesday from September 22nd to October 20th from 12-1:30 PM

Intended Audience: All CPQCC Members (including Physicians, Nurses, PT/OT, Socialworker) are encouraged to join the virtual learning session. Attendees will be supplied with the agenda and necessary documents before each meeting.

Introduction to CPQCC and Friends September 22

DURATION	TOPIC	PRESENTER
5 min	Welcome & introductions	Rebecca Robinson
30 min	CPQCC and CCS – goals and intentions, mission	Jeff Gould
	NICU population – who do we track and why?	
	Transport	
	HRIF population	
10 min	What's Next for CPQCC?	Rebecca Robinson
15 min	Q&A Panel	Group

Learning Objective: Get a brief introduction to all things CPQCC including which babies we track in our NICU, transport, and HRIF data sets, what our data tells us about the success California has had in improving care for vulnerable infants over the last decade, and upcoming opportunities to participate in data collection pilots and quality improvement collaboratives. You'll also get an early view of CPQCC's updated mission and plans for the future!

What's New with Quality Improvement and Research September 29

DURATION	TOPIC	PRESENTER
5 min	Welcome & introductions	Rebecca Robinson
15 min	CPeTS research	Ron Cohen/Jochen Profit
15 min	NICU research	Henry Lee
15 min	Health equity	Jochen Profit
15 min	HRIF research	Susan Hintz
15 min	Q&A Panel	Group

Learning Objective: Learn how your data is used to derive insights on how to improve the quality of care in NICUs and HRIF clinics across the state. This session will highlight some of our recently released tools to advance health equity in the NICU and improve follow-up care for high risk infants.

What's New with CPeTS Data October 6

DURATION	TOPIC	PRESENTER
5 min	Welcome & introductions	Rebecca Robinson
20 min	Intrapartum versus postpartum transfer data	Ron Cohen
20 min	CPeTS data interpretation presentation	Lucy Van Otterloo
20 min	Database changes for 2022	Kevin Van Otterloo, Ron Cohen
15 min	Q&A panel	Group

Learning Objective: Learn about changes to the transport data set managed by CPQCC and its partner, the California Perinatal Transport System (CPeTS), for birth year 2022.

What's New with NICU Data October 13

DURATION	TOPIC	PRESENTER
5 min	Welcome & introductions	Rebecca Robinson
5	Pilot projects: Delivery Room Oxygen DRO2), Family Centered Care (FCC), Maternal Substance Exposure (MatEx) New data collection: Language barriers NICU Report demo videos	Henry Lee
5	Intro to data entry	Janella Parucha
35	2022 NICU database changes including CCS LAINA	Janella Parucha
15	2020 Data Finalization summary and Awards	Fulani Davis
5	NICU Data Sharing	Fulani Davis
20	Q&A Panel	Group

Learning Objective: Learn about changes to CPQCC's NICU Database for the birth year 2022 and new features like the All NICU Admits Database focus boards. We will also discuss the new CCS data collection requirement for Low Acuity Inborn NICU Admissions (LAINA), and the NICU Data Sharing functionality.

What's New with HRIF Data October 20

DURATION	TOPIC	PRESENTER
5 min	Welcome & Introductions	Susan Hintz
5 min	CCS HRIF Program & Database Access	Susan Hintz
10 min	Explore Pilot Projects	Susan Hintz
10 min	2022 Database Changes <ul style="list-style-type: none"> • Telehealth Assessments 	Susan Hintz/Erika Gray
15 min	System Improvements <ul style="list-style-type: none"> • Clinic Dashboard • Referral Registration EDS option 	Erika Gray
10 min	Data Finalization & Awards	Erika Gray
20 min	Q&A Panel	Group

Learning Objective: Learn about changes to the High Risk Infant Follow up (HRIF) Reporting System, 2022 data items, system reports and the new Referral Registration Electronic Data Submission (EDS) option.

Cost/Cancellation Policy: The Data Training sessions are free. There is no cancellation or refund policy for sites who are unable to attend.

Contact hours/CEU Credit:

Attendees will be eligible for contact hours through the Perinatal Advisory Council: Leadership, Advocacy, and Consultation (PAC/LAC) . This webinar series is being jointly provided by CPQCC and PAC/LAC. PAC/LAC is an approved provider by the California Board of Registered Nursing, Provider number CEP 5862.

Contact hours are tracked during “live sessions” only and will be accumulated and distributed at the end of the Data Training sessions. Please make sure that each individual of your team registers and attends the entire live session to gain credit.

Please contact Courtney Breault (cnisbet@stanford.edu) regarding any questions related to CEU credits (RNs only). NOTE: CEUs will be distributed after all Data Training sessions have been completed.
